MEMBERSHIP APPLICATION
(Please complete in BLOCK CAPITALS)

Membership of DISA is open to any person who is responsible for, or contributes to, the implementation of defence industry security requirements, or who is employed by an organisation carrying out work for, or on behalf of, HM Government and which is protectively marked at CONFIDENTIAL or above

DATA PROTECTION ACT 1998

The purpose of requesting the Personal Data below is to assist in deciding whether you are a suitable applicant for membership of the Defence Industry Security Association (DISA). Personal Data is also used in the compilation of a DISA members register. Personal Data you provide will be disclosed for administration purposes to the DISA Administration Bureau at CGP Associates Limited. Personal Data may also be disclosed to the UK Ministry of Defence and other UK Government Security Agencies for verification purposes, any referees nominated by you and to other DISA members by way of an electronic or hard copy members register. If required, disclosures will be made by way of written or verbal correspondence, telephone calls and/or electronic transmission. All Personal Data will be processed in accordance with the Data Protection Principles as defined in the Data Protection Act 1998 and will not be used for any purpose or purposes other than those described. DISA will periodically circulate information to you about security products and services that are provided by other members of DISA, their organisations, or other commercial security or UK Government departments. Please tick this box if you do not wish to receive such information
